- Appendix C - Submission Form * (mandatory)

BONDING UPLOAD SECTION

Bidders shall submit with their on-line bid a Digital copy of both the Bid Deposit in the amount of ten (10%) percent of the Total Contract Bid Amount and An Undertaking to provide a Bond in the amount of one hundred (100%) percent of the Total Contract Bid Amount.

Each bid must include bid security in the form of an electronically verifiable digital bid bond. The digital bid bond must:

- a. be in the amount of 10% of the bid price;
- b. be issued by a reputable surety company authorized to do business in the Province of Ontario;
- c. identify the "Obligee" as Loyalist Township"; and
- d. remain valid and in effect for a period of not less than the Irrevocability Period specified in the ITT Timetable.

The digital bid bond must be uploaded in accordance with the instructions in the bidding system and must be accompanied by all instruction details necessary for accessing the verification process.

The results of the verification process must provide a clear, immediate and printable indication that the document uploaded is the true document and has not been altered (including the content, all digital signatures and all digital seals).

The verification may be conducted by the Township immediately or at any time during the life of the bond and at the discretion of the Township with no requirement for passwords or fees.

Bonds failing the verification process will not be considered valid and the bid will be rejected.

Bonds passing the verification process will be treated as original and authentic.

For information regarding digital bid bonds, bidders are encouraged to contact their surety company and refer to the e-bonding information on [Surety Association of Canada's website](#).

Failure by the selected bidder to satisfy all pre-conditions of award and execute the Agreement shall be just cause for the forfeiture of the bid security to the Township.

- Digital Bid Bond * (mandatory)
